Dr. Dhan Singh Rawat

Cabinet Minister of Higher & Medical Education (UK)

Cabinet Minister Message

It is a matter of honor and immense pleasure to communicate with the budding professionals through this platform.

Higher education scenario globally has witnessed a significant change in approach and a remarkable growth. Higher education in India too, has readily adapted to the global demands and every institution has geared up to meet the global challenges by harnessing the latest technologies in education front. The move towards inter-disciplinary studies, research based and interactive learning with technology integration have opened up several options as well as created multiple challenges. Uttarakhand, like many other states is at a juncture where a huge population of young men and women are opting for higher education. In the wake of privatization of education on increase in India, the major focus is on creating an optimized and vibrant platform for quality in knowledge enhancement and bridging the gap between academia and industry with an objective to build up core competence in students integrating knowledge with skills on the foundation of ethics and values.

A strong believer and practitioner of the dictum “Knowledge is Power”, Ministry of Higher Education in Uttarakhand has been on the path of delivering quality education by developing the young human resources with ethical and moral values, while boosting their leadership qualities, research culture and innovative skills. The main objective of the Uttarakhand Government is to provide higher education of global standards and hence our afford is to design all the programs to meet international standards. Highly experienced and qualified faculty members, continuously engaged in the maintenance and enhancement of student-centric learning environment through innovative pedagogy, form the backbone of education.

Research, consultancy and innovation are the pillars of success. I request all the fresh and Young minds to utilize the available resources to the maximum in research, creativity and evidence based practice.

I strongly believe that we are marching ahead in the right direction, providing a holistic education to the future generation and playing a positive role in nation building. We reiterate our endeavor to provide premium quality education accessible to all and an environment for the growth of over-all personality development leading to generating “Global Professionals”.

I would like to conclude by quoting Guru Rabindranath Tagore that “The higher education is that which does not merely give us information but makes our life in harmony with our existence.”

Wish you all a great success in your future.

(Dr. Dhan Singh Rawat)

Professor M. L. Bhatt
Vice Chancellor of HNBU Medical Education University

Vice Chancellor Message

Education, plays very important role in the development of a society. The current developments have brought forth a variety of new avenues, fields, areas and opportunities which are ideal situation for those who want to work hard for self-satisfaction and higher growth.

I firmly believe in the complete development of the potential of an student. I am sure that the Staff at CIMS&R are trained to ensure that the students are given every possible support in all their endeavors and academic, pursuits.

The comfort of the student community, both mental and physical, are utmost important. I urge the faculty to lend a gentle guiding hand so that our students recognize their inner potential and grow. Sports and other co-curricular activities should be encouraged and the students should be given every form of support to develop their talents in all fields.

My dear students, don't narrow your horizons, and widen your knowledge base and study beyond the confines of the syllabus.

In this age of technology, knowledge is just a click away and we ensure that every student of the college has only the best of technology at his/her disposal. Technology is changing and its changing for betterment only, making lives simpler and easy to live, aiding in decision making, converting luxuries to affordability and making the impossible seems possible. Make an attempt to achieve technological and management excellence which is the desire of mankind from centuries.

I appreciate CIMS&R & UIHMT Group of Colleges that have been providing free education under 'Mission Education Super-300' especially to the economically weaker section families affected during the Kedarnath & Joshimath disaster and Corona afflicted families.

I extend a warm welcome to all prospective students and wish you all a great future ahead.

(Prof. M.L.B. Bhatt)
Vice-Chancellor

Mr. Lalit Mohan Joshi
Chairman

Chairman Message

**"We cannot always build the future for our youth,
but we can build our youth for the future."**

Franklin D. Roosevelt

These words by Franklin D. Roosevelt perfectly describe our aim at Combined (P.G) Institute of medical Sciences and Research. Beyond providing a sound education, we wish to provide our students a holistic learning experience for life. Our aim is to teach students to LEARN, not just STUDY. Hence, we strive to travel beyond the boundaries of mere books. We have realized that the future is abstract and unknown but the youth in our hands are real and can be molded.

Dear students, "You are the nation-builders. You are the movers of technology. You are the agents of change." It is our fervent hope that the years that you spend in CIMS&R would enable you to equip with leadership and technical skills. The knowledge that you will gain, the fine qualities that you will imbibe and the technical skills that you will learn to apply will be your major contribution to your parents, to society, and to the nation.

We invest our trust on you. You are our safe source and we bank all our efforts on you. We create not the future instead we craft you for the future. There are strong challenges to great efforts but, always remember, great effort bears the sweet fruit of success. We want you to taste the fruit of success once and for the rest of your life, you will never rest.

Always remember that the sound mind exists in a sound body. Our efforts will be your all round development and we expect you to be away from the malpractices such as drug abuses which is eating our youth like a termite. So join hands for the slogan "yes to life, No to Drugs"

Best wishes.

(Mr. Lalit Mohan Joshi)
Chairman

Mr. Sanjay Joshi
Managing Director

Managing Director Message

MESSAGE

As we step into this new academic year, filled with hope and dreams of scaling new heights, I wish to reiterate the importance of few things that we have to keep in mind. Parents should remember that children should not be forced, but should be guided to achieve whatever goals they may have in their minds in an easy and pleasing manner, so that we may be able to discover the particular touch of genius in each one of them. The purpose of education is to teach our children to think and develop a capacity to reason out facts. Students should keep in mind the importance of planning and prioritizing their time and the effective use of it which are essential to achieve success.

Students should always think and review – discover the cause and effect of every event, in which they are involved. Do not surrender or become a slave to youthful fancies and indulgences. Be steady in your studies. Learn to enjoy hard work – particularly your studies. Think wisely, think systematically. Always prepare yourself for next day's lesson. Be very serious and attentive in class.

Preserve our heritage and environment for yourself as well as for your next generation. Always be a soldier to defend and preserve our traditions and our territory. With experienced and dedicated teachers and excellent infrastructure, our college helps students to realize their goals in life. I encourage all students to take advantage of the opportunities provided by the college and involve themselves in all the extra curricular activities that are offered. The overall development of the mind and body is a sign of a healthy and complete development.

Hard work, dedication and perseverance are the most important traits in a person that lead to success. The future belongs to you; your need, therefore, is to prepare yourself for an active participation in the world. This participation demands that you become well informed and hence develop yourself like a pioneer and ultimately grow as responsible men and women.

Wishing You all a Good Luck

(Mr. Sanjay Joshi)
Managing Director

Dr. Mahesh Kudiyal
Board of Director

Board of Director Message

I feel blessed and honoured to be associated with a reputed institute like CIMS&R which has a dedicated and highly competent team of professionals. I have witnessed this institute transcending to new heights of success with each passing year. Apart from quality education, this institution is also inculcating a sense of discipline and responsibilities among students. The invaluable trust of parents, blessing, well wishers and most importantly the enthusiastic students of CIMS&R continues to add laurels to the institutions kit. CIMS&R has not grown only in physical infrastructure but also in terms of quality of education it is imparting.

My sincere wishes to the chairman of the institute as his unmatched intelligence and hard work is helping many students from Uttarakhand and neighbouring states to avail world class education at pocket friendly charges. I firmly recommend this institution to all the aspirants who crave to learn and excel in their life.

Dr. Mahesh Kuriyal

Mr. Pawan Sharma
Board of Director

Board of Director Message

It is a matter of immense pleasure and honour for me to address you all through the brochure of Combined (PG) institute of medical Sciences and Research. It is indeed very heartening to witness that the college has carved a name for itself in the academic scenario of the region. Education is the most powerful tool to bring desirable changes in our personality and also to bring positive changes in our society. It is the only medium which enables you to move from darkness to brightness.

Dear Students, I strongly believe that, there can be no better way to drive and improve our nation's prosperity and social economic well-being than through its education system. I also believe that, professionals are the key to continued economic and technological advancement of our country. I would take this opportunity to urge you all to focus on all round development. You should always have your education laced with morality and ethics.

Last but not the least, I would like to appreciate the initiative by Combined (PG) Institute of Medical Sciences and Research, for providing free education to 300 children who belongs to economically weaker section. I would like to congratulate the Chairman, Mr. Lalit Mohan Joshi for this philanthropy. His kind efforts will help many to stand on their feet.

Wish you all a great Success.

Pawan Sharma

WELCOME TO CIMS |

Combined (P.G.) Institute of Medical Sciences & Research

CIMS&R is established since 2002 under the aegis of J J Educational Institute which is a society that was formed with the chief objective to impart Nursing and paramedical Education to the students of the than newly formed Hilly state of Uttarakhand and its neighbouring states. CIMS&R is the pioneer in Uttarakhand to start Nursing Education and allied fields. Over a short span of time, CIMS&R has witnessed its tremendous growth as a result of which it is imparting professional education in about more than 30 streams. Combined (PG) institute of medical Sciences and Research is committed to the ethos of J. J Educational Institute which focuses to impart excellence in education and research. Our holistic model of education has enabled us to be at the forefront of education. The Institute strives to provide the tools of unremitting edification which helps to imbibe skills of creativity, nurture attitude of problem solving and leadership in its students. We instill critical thinking, intellectual growth and a passion of attaining excellence amongst the students. At CIMS&R, the students are channelized and motivated to practically implement the principles learnt in classroom through experimentation in the laboratories, so that they inculcate skills and confidence to become a leader in the opted field.

“We welcome you to this Green Campus”

**The purpose of education is to replace
An empty mind with an open one.**

Malcam S. Forbes

Vision

To be a premier academic institution, recognized internationally for its contribution to in the field of education through excellence in teaching, learning, research, internationalization, entrepreneurship and leadership.

Mission

- To transform education through academic rigour, practical orientation and outcome based teaching.
- To develop and implement a relationship of cooperation between industry and academia.
- To undertake impactful research addressing local, national and global challenges.
- To prepare graduates to be lifelong learners with strong analytical and leadership skills.
- To develop global professionals and entrepreneurs with innovative spirit, tolerance and desire to make a difference to the society.

Core Values

Pursuit of excellence through innovation, collaboration and continuous improvement

Freedom of thought and expression

Integrity and professional ethics

Respect for diversity

Accountability for actions and results

What make us different from others?

IDEALLY LOCATED LUSH GREEN CAMPUS: The CIMS&R campus is centrally located and is very near to Airport, Railway Station and Bus stand. Local transport facility is readily available around the campus. The ideal location surrounded by the lush green trees and Hills adds to the aesthetic sense.

INSPIRING FACULTY: The core faculty team comprises distinguished academicians from the best institutions and leading professionals of the corporate world. Combined (P.G) Institute has over 100 faculty members and many of them are Ph.D holders and are involved in guiding the students and researchers in their areas of expertise.

SCHOLARSHIPS: CIMS&R has always been driven by the vision of its Chairman, Mr. Lalit Mohan Joshi, to develop the next generation of leadership for organisations, communities and society at large. As a part of his vision, the victims of Covid Scholarships were instituted to help those who are brilliant in academics and those who deserve world-class education but don't have the means. At CIMS&R, financial limitations do not restrict academic pursuits and career dreams of deserving students. In view of that, the Institution has also tied up with premier banks to offer easy Education Loans to students.

HOLISTIC DEVELOPMENT: Sports Training, Music, Camping, Yoga etc is an integral part of the Personality Enhancement Module at CIMS&R. You will get an opportunity to participate in many activities which will test and enhance your mental and physical agility, besides teamwork and leadership skills.

WORLD-CLASS INFRASTRUCTURE: At CIMS&R, carefully conceived and well designed features provide you with the right launching pad to embark on a highly rewarding career. All in all, it provides you with an environment-friendly campus which is home to several architecturally striking buildings. This is also the optimal setting where every need of yours is filled.

DIVERSE SPORTS FACILITIES: CIMS&R has a wide sports ground and extensive sports facilities. CIMS&R offers ample opportunities to students for a regular work-out and lifestyle management by providing a host of excellent sports facilities. It has facilities for games like cricket, football, basketball and volleyball as well as indoor games like chess, carom, table-tennis etc.

MESS AND CAFETERIA: A spacious well lit and well ventilated cafeteria in the College serves sumptuous and healthy food to the students. A healthy and tasty start to the day begins with breakfast at 8 am followed by lunch, evening snacks and dinner. The cafeteria serves a variety of dishes which are both healthy and tasty and are crafted by a team of professional dieticians to ensure a well balanced diet.

MEDICAL FACILITIES: To ensure students well being, College provides great medical facilities with a full time team of doctors available 24 x 7 in the the parent Multispeciality Hospital. Stretchers, wheel chairs and other equipment are constant standby for any eventuality. Transportation facility is also available in in case of any emergency.

WORLD-CLASS FACILITIES SECURE CAMPUS: CIMS&R campus has strict security through 24-hour guards and CCTV installation ensuring a pleasant stay and allowing students to focus on academics.

RESIDENTIAL ACCOMMODATION AND DEPARTMENTAL STORE: CIMS&R offers comprehensive hostel facilities for all students within the campus. Caring wardens and tight security ensures a pleasant stay for students allowing them to focus on academics. All rooms are equipped to aid students with their class work. Transport facility is provided to all.

WORLD-CLASS FACILITIES TECHNO-SAVVY CAMPUS: CIMS&R has always been in the forefront in utilizing IT infrastructure to make learning informative and entertaining. The entire campus, including the library and the hostels, is connected through Local Area Network. There is a 24-hour wireless internet connectivity with data transfer speed of 200 Mbps and online UPSs are installed for uninterrupted power supply in each lab .

Post Graduate Programmes

M.H.A.

Duration: 2 years

Eligibility: A Bachelor's degree in any stream be it Science, Arts, or Commerce

M.P.H.

Duration: 2 years

Eligibility: Graduate degree from any recognized Indian university or equivalent degree from any foreign university.

M.P.T.

Duration: 2 years

Eligibility: BPT degree with minimum 50% mark aggregate from recognized university

a) Ortho
c) Sports
e) Cardio
b) Neuro
d) Pedia

M.Sc. M.L.T

Duration: 2 years

Eligibility: Must have a B.Sc. Degree in MLT or BMLT or equivalent course. The minimum percentage required for admission is 55%.

M.Sc. Biochemistry

Duration: 2 years

Eligibility: B. Sc. with Chemistry, Botany and Zoology or any other equivalent degree like Biotechnology/ Microbiology/ Biochemistry/Genetics/Industrial Microbiology/ MLT with minimum 55% marks in aggregate

M.Sc. Microbiology

Duration: 2 years

Eligibility: Eligibility for Masters or Postgraduate course in Microbiology is a B.Sc. degree in any stream of science such as Botany, Zoology, Chemistry, Biotechnology, BMLT, Microbiology with at least 55% of marks (50% for SC/ST candidates) from a recognized University.

M.Lib

Duration: 1 years

Eligibility: B.Lib. degree holder from any recognised University with a minimum overall aggregate of 50%.

M.S.W

Duration: 2 years

Eligibility: Graduation

M.A.Yoga

Duration: 2 years

Eligibility: Graduation

Under Graduate Programmes

B.Sc. Optometry

Duration: 3+1 years

Eligibility: 10+2 Pass with 45% marks in Physics, Chemistry, Biology and English as Compulsory Subjects.

B.Sc. O.T.

Duration: 3½ years

Eligibility: 10+2 Pass with 45% marks in Physics, Chemistry, Biology and English as Compulsory Subjects.

B.M.M.

Duration: 3½ years

Eligibility: 10+2 Pass with 45% marks in Physics, Chemistry, Biology and English as Compulsory Subjects.

B.Sc. M.L.T.

Duration: 3½ years

For Nepali students, course duration is 4 years i.e. (3 year course + 1 year internship)

Eligibility: 10+2 Pass with 45% marks in Physics, Chemistry, Biology & English as Compulsory Subjects.

B.M.R.I.T.

Duration: 3½ years

For Nepali students, course duration is 4 years i.e. (3 year course + 1 year internship)

Eligibility: The candidate must have passed the 10+2 with Minimum 45% Marks in PCB/PCM.

B.P.T.

Duration: 4½ years

Eligibility: 10+2 passed with Physics, Chemistry and Biology with minimum 50% aggregate from recognized board.

B.H.A.

Duration: 3 years

Eligibility: The eligibility criteria for BHA is 45% minimum aggregate in 10+2 from a recognized college or board (ICSE/CBSE/State Boards).

B.Sc. I.T.

Duration: 3 years

Eligibility: 10+2 or equivalent examinations from a recognized board.

B.Lib.

Duration: 1 years

Eligibility: Any bachelor's degree holder from any recognised University with a minimum overall aggregate of 50% or more in the bachelor's degree exam

B.A Tourism*

Duration: 3 years

Eligibility: 10 + 2 Pass Any Stream.

★ Subject to approval from competent authority.

Post Graduate Nursing Programmes

M.Sc. Nursing

Duration: 2 years

- a) Medical and Surgical Nursing
- b) Gynaecology and Obstetrics Nursing
- c) Paediatric Nursing
- d) Mental Health Nursing
- e) Community Health Nursing

Eligibility: B.Sc. Nursing & Honors

Post Basic B.Sc. Nursing

Duration: 2 years

Eligibility: GNM with Registration from state Nursing Council

Under Graduate Nursing Programmes

B.Sc. Nursing

Duration: 4 years

Eligibility: 10+2 with min. 45% marks in PCB&E.

GNM

Duration: 3 years

Eligibility: 10+2 with min. 40% marks in any stream & ANM Pass (Eng. 40%).

ANM

Duration: 2 years

Eligibility: 10+2 Pass any stream

Diploma Programmes

PG Diploma in water sanitation & Hygiene

Duration: 1 year

Eligibility: Any Bachelor Degree from UGC approved Institution.

PG Diploma in Business Accounting & Taxation

Duration: 1 year

Eligibility: Bachelor Degree in commerce minimum 50% aggregate..

PG Diploma in journalism & mass communication

Duration: 1 year

Eligibility: Any Bachelor Degree from UGC approved Institution.

PG Diploma in Fitness & Sport Management

Duration: 1 year

Eligibility: Any Bachelor Degree from UGC approved Institution.

PG Diploma in Yogic Science

Duration: 1 year

Eligibility: Any Bachelor Degree from UGC approved Institution.

Diploma in Yoga

Duration: 1 year

Eligibility: 10+2 Pass with any stream

Diploma in Dialysis*

Duration: 1 year

Eligibility: 10+2 pass with a minimum aggregate score of 40% with compulsory subjects such as Physics and Chemistry and one optional subject from either Mathematics or Biology.

★ Subject to approval from competent authority.

Choose Your Course

Post Graduate Programmes

PROGRAM NAME

MPH
(Master's in Public Health)

Duration : 2 Year

Eligibility :

A Bachelor's degree from any recognized university.

Age : No Bar

About the Course

Masters of Public Health (MPH) is a two-year medical-field oriented program which offers structural knowledge about public health and provides candidates with the right skill sets and exposure to real-world problems in public health. This post Graduate Course is aimed to graduate professionals with the technical and managerial skills to strengthen the Public Health system .It trains and develop a cadre of competent public health policy makers, managers , practitioners, educators and researchers.

Program Highlights

1. Masters of Public Health is a suitable career choice for candidates who aspire to work in federal, state and international health organizations and research institutions
- 2.MPH graduates have opportunities in the health system and academic institutions.
3. Non-academic jobs are in Govt & private sector
4. The MPH graduate can Work on the position of:
 - a. Health Educator
 - b. Public Health Officer
 - c. Epidemiologist
 - d. Biostatistician
 - e. Director of Operations for Public Health Offices
 - f. Nutritionist

PROGRAM NAME

MHA
(Master's in Hospital Administration)

Duration : 2 Year

Eligibility :

A Bachelor's degree from any recognized university.

Age : No Bar

About the Course

Master of Hospital Administration, also known as the Master of Hospital Administration (MHA) is a popular PG (Post Graduate) Healthcare and Hospital Management course. The Master of Hospital Management course acts as a direct link between healthcare facilities, health insurance, and those supplying the services they need. Hospital administrators are responsible for the administration, leadership, and management of hospitals and hospital networks. Hospital Management courses are also open to non-medical background graduates. Healthcare administrations are regarded as healthcare professionals. The two-year duration Master of Health/ Hospital Administration course is career orienting in nature, which opens wide career opportunities in different fields of hospital management.

Program Highlights

1. Trains the student to work as a Leader
2. Enhances Building Networks:
3. Competitive Salary:
4. Open the Door for opportunities in Health Sector as:
 - a. Agency Manager
 - b. Direct Marketing Manager
 - c. Hospital Administration Manager
 - d. Hospital Business Manager
 - e. Key Accounts Manager
 - f. Management Trainee
 - g. Occupational Health Specialist
 - h. Program Manager

PROGRAM NAME

MPT
(Master's in Physiotherapy)

Duration : 2 Year

Eligibility :

BPT degree from any recognized university.

Age : No Bar

About the Course

MPT is a post-graduate academic degree awarded to students in the field of physical therapy. MPT course will allow an individual to work on certain healthcare aspects such as improving muscle strength, bone strength, recovering from accidents, operations, etc. Master in physiotherapy course provides both practical and theoretical learning experience which enables knowledge, gain skill and the required behavior in various fields

Specialisation in MPT

- ★ Ortho ★ Pedia
- ★ Neuro ★ Cardio
- ★ Sports

Program Highlights

- Emphasis on advanced clinical skills
- Evidence-informed practice
- Hands-on training in state of the art research facility
- Flexible study schedule for working professionals
- Curricular Concentration on Research projects and publication
- 360-degree clinical assessment and feedback.

Scope

- Academic and Teaching jobs
- Clinical jobs in hospitals and specialized centers.
- Wellness and fitness consultant jobs
- Rehabilitation consultant for sports teams
- Researcher
- Consultant jobs
- Lecturer
- Eligibility to pursue PhD

PROGRAM NAME

M. Sc. Biochemistry
(Master of Science in Biochemistry)

Duration : 2 Year

Eligibility :

B.Sc. with Chemistry, Botany and Zoology or any other equivalent degree like Biotechnology/ Microbiology/ Biochemistry/ Genetics/ Industrial Microbiology/ MLT from any recognized university.

About the Course

M.Sc. in Biochemistry is a 2-year postgraduate program that allows you to understand the chemical processes related to living organisms. The program aims to provide a sound understanding of every aspect of the structure and function of living things at the molecular level and to utilize the knowledge for the benefit of mankind. A masters degree in Biochemistry is intended for undergraduate degree students who are looking to advance a career, strengthen a biochemical background or prepare for a doctorate program.

Program Highlights

Biochemists find themselves placed at high profile jobs in many fields:

1. Medical organizations
2. Agriculture universities
3. R&D openings in Pharmaceutical Organizations
4. Diagnostic companies
5. Quality control
6. In various food industries.
7. Research opportunities

The Profile of a M.Sc. Biochemistry postgraduate includes:

- Research Fellow
- Biotechnologist
- Analytical chemist
- Biomedical scientist
- Pharma Associate
- QA/AC Associate
- Healthcare scientist
- Research Scientist
- Clinical Scientist
- Research Associates
- Chemist
- Pharmacologist
- Laboratory Technician
- Food Safety Analyst.

PROGRAM NAME

M. Sc. Microbiology
(Master of Science in Microbiology)

Duration : 2 Year

Eligibility :

Eligibility for Masters or Postgraduate course in Microbiology is a B.Sc. degree in any stream of science such as Botany, Zoology, Chemistry, Biotechnology, BMLT, Microbiology from any recognized University.

About the Course

Master of Science in Microbiology is a 2 year postgraduate course . It combines the disciplines of chemistry and biology to study living microorganisms and their relations in the environment. The course aims to produce competent microbiologists who can excel in skills and knowledge in theory and practice. The course includes teaching and training in variety of subjects related to this field. The convertible expertise one develops also equips the candidate well for a wide range of careers outside the lab. There are several job opportunities also for those who want to pursue a career in microbiology.

Program Highlights

Microbiologists are in high demand in various fields

Promising Salary Packages

Wide scope in the field of:

- Medical research
- Quality control
- Biotechnology Industry
- Teaching in universities
- Pharmaceutical and bioscience companies
- Government and private hospitals
- Food industries
- Research and development organizations
- Chemical industries
- Pharmaceutical industries

PROGRAM NAME

M.Sc. M.L.T.
(Master's in Science Medical
Lab Technology)

Duration : 2 Year

Eligibility :

Must have a B.Sc. Degree in MLT or BMLT or equivalent course from any recognized university.

About the Course

M.Sc. Medical Lab Technology is a paramedical course which deals with introduction to patient care with proper diagnosis using clinical laboratory equipment to run the tests . It is a 2 year postgraduate program that includes fascinating subjects like molecular biology, human anatomy & physiology, biochemistry, haematology etc. During the course the students are taught about various diseases, their diagnosis, treatment and ways to prevent them. The students are trained to render emphasis on how to carry the clinical tests accurately that will help the physician to make proper diagnosis. It prepares experienced and technically sound professionals who are eligible to work in private hospitals & biomedical Laboratory centers.

Program Highlights

1. The programme aims to provide technical training in laboratory medicine.
2. The students receive an exposure along with hands on training in the various areas of laboratory medicine

Prepares trained technologists for medical investigations

3. Wide range of Opportunities in :

Hospitals/Clinics (Government/Private)

- Nursing Homes
- Pathological labs
- Military hospitals (army/navy/air-force)
- Pharmaceutical companies
- Commercial clinical Laboratories
- Forensic/ crime laboratories
- Educational Institute

4. Job Profiles Include: Laboratory Manager, Consultant, Healthcare Administrator, Education Consultant, Supervisors of Clinical laboratories, Health and Safety Officer etc.

PROGRAM NAME

M.S.W

(Master of Social Work)

Duration : 2 Year

Eligibility :

Any graduate with 50%

About the Course

The Master of Social Work (MSW) program is a technical postgraduate degree that combines both the macro and micro aspects of professional social work practice in communities, hospitals, schools and other disciplines related to social services. The course was prepared to offer quality education in Philosophy and Social Work, Psychology for Social Work, Social Work Research, Community Work, Social Welfare Management, Poverty and Livelihood, Environment and Disaster Management etc.

Program Highlights

- Social Worker
- Child Development Manager
- Fund Raiser
- Professor
- Therapist
- Clinical Social Worker

PROGRAM NAME

M.Lib.

(Master's in Library Science)

Duration : 1 Year

Eligibility :

B.Lib with 50%

About the Course

Master of Library Science (M.Lib) is a postgraduate program designed to give student an understanding of philosophy of library science, its advance principals, laws as well as social impact. Master of Library Science provides you all the essential skills through theoretical and practical learning involved in its curriculum to function smoothly as a librarian. After completion of the program, you will be able to design and easily create reader's advisory resources as per their interest.

Program Highlights

- Deputy Librarian
- Academic Librarian
- Library Attendant
- Electronic Resources Librarian
- Indexer
- Information Architect
- Library Science Teacher
- Law Librarian
- Assistant Librarian
- Library Assistant

PROGRAM NAME

M.A Yoga

(Master of Arts in Yoga)

Duration : 2 Year

Eligibility : Graduation

About the Course

Master of Arts in Yoga is a postgraduate Yoga course. Yoga is a physical, mental, and spiritual discipline. The aim of the program is to provide Yoga therapy to the patients who are suffering from various kinds of psychosomatic disorders. It also provides Yoga treatment for the public along with all modern facilities of treatment available in the hospital. It trains students to develop skills of Yoga therapy, to serve the people of the society. It helps to fulfil the need of society to create individuals who are experts in this field. The duration of the course is two years and its syllabus for the course is divided into four semesters.

Program Highlights

- Yoga Therapy Instructor
- Gym Manager-cum-Instructor
- Therapist
- Yoga Trainer
- Consultant Yoga Therapist
- Panchakarma Therapist
- Marketing Field Worker
- Clinical Psychologist
- Receptionist & Office Assistant
- Teacher/Private Tutor
- Customer Relationship Executive
- Front Office Assistant
- Customer Relationship Executive

CIMS CAMPUS

Under Graduate Programmes

PROGRAM NAME

B.Sc. Optometry

(Bachelor of Science in Optometry)

Duration : 3 Year +
1 Year internship

Eligibility :

10+2 Pass with 45% marks in Physics, Chemistry, Biology and English as Compulsory Subjects.

About the Course

B. Sc. Optometry is an Undergraduate Program which deals with the examination, diagnosis, treatment and management of diseases and disorders of the visual system. It is a vision care science. One can also define it as the science of eye equipment (including lenses and spectacles) which is imbued with the idea of improving the vision of the human eye and remove all kinds of obstacles of sight which an individual may experience. The program is envisaged to develop a multipurpose ophthalmic manpower at paramedical level. The training will enable a student to become a competent person in providing service as an Optician, Optometrist, Refractionist and Ophthalmic Assistant to the community in urban, semi-urban and rural settings in private, semi-Governmental and Governmental sectors.

Program Highlights

1. Dynamic and challenging career
2. Allows one to help people
3. Achieve personal growth, community respect, job flexibility and financial success and offers virtually unlimited opportunities.
4. Top recruiting areas are Lens manufacturing units, optician showrooms, multinational companies dealing with eye care products, Contact lens and ophthalmic lens industry, multinational companies dealing with eye care products.

Scope:

- Assist ophthalmologists in hospital clinic
- Practice in optical establishments
- Run optical shop
- Have excellent job opportunities overseas.
- Offer clinical services to multinationals dealing, with the manufacturing and distribution of ophthalmic lenses, contact lenses and ophthalmic instruments.
- Start manufacturing unit for optical lenses.

For those interested in higher studies can join for M.Sc and PhD programs and take up teaching Optometry as a carrier.

PROGRAM NAME

B.Sc. O.T.

(B.Sc. in Operation Theater Technology)

Duration : 3 Year
+ 6 Month internship

Eligibility :

10+2 Pass with 45% marks in Physics, Chemistry, Biology and English as Compulsory Subjects.

Age : No Bar

About the Course

The B.Sc. in Operation Theatre Technology is related to all the work and management of the operation theatre. The course prepares students for managing the patients as well as for monitoring the ins and outs of an operation theatre. During the study, the students are responsible for looking after all the surgical instruments as well as their sterilization. Students assist the surgeon during operations and closely look after the drugs, anesthetic gases, drapes and sterilization requirements during surgery. In addition, minor tasks of arranging operation theatre table, instrument table, anesthesia table and managing the staff prepares a professional Operation Theatre Technician.

Program Highlights

1. There is a need for OT Technicians in almost every field of medicine, like General Surgery, Neurosurgery, Plastic Surgery, Urology, Gynaecology, and much more.
2. Candidates will be able to pursue postgraduate after this course
3. Job profiles that are available for OTT graduates:
 - Lab Technician
 - OT Technician
 - Teacher & Lecture
 - Anaesthesiology Consultant
 - Associate Consultant

PROGRAM NAME

B.Sc.M.L.T.

(Bachelor of Science in Medical Laboratory Technology)

Duration : 3½Year

For Nepali students,
course duration is 4 years i.e.
(3 year course + 1 year internship)

Eligibility :

10+2 Pass with 45% marks in
Physics, Chemistry, Biology &
English as Compulsory Subjects.

About the Course

B.Sc. Medical Laboratory Technology (MLT) is an Undergraduate Program offered by Combined PG Institute of Medical Sciences and Research. B.Sc MLT Course is a 3 years degree program in which students will learn skills of diagnosing and helping doctors in finalizing the entire problem. It allows medical aspirants to be a part of this stream without a degree of MBBS. The students perform various diagnostic analysis on body fluids, which include hematology, bacteriology, immunologic, chemical and microscopic during the course. The subjects taught in the program are Clinical Endocrinology & Toxicology Lab, Diagnostic Molecular Biology Lab, Diagnostic Cytology etc.

Program Highlights

The programme aims to provide technical training in laboratory medicine. The students receive an exposure along with hands on training in the various areas of laboratory medicine such as Phlebotomy, Clinical Biochemistry, Hematology, Cytopathology, Microbiology, Immunology, Parasitology, Serology, & Blood Banking.

The trained technologists are involved in collecting information, sampling, testing, reporting & documenting medical investigations in following Job Areas:

- Hospitals/clinics (government/private)
- Nursing Homes
- Commercial clinical Laboratories
- Pathological labs
- Forensic/ crime laboratories
- Military hospitals(army/navy/air-force)
- Pharmaceutical companies
- Educational Institute

PROGRAM NAME

B.M.M.

(Bachelor of science in Medical Microbiology)

Duration : 3 ½ Year

Eligibility :

10+2 Pass with 45% marks in
Physics, Chemistry, Biology and
English as Compulsory Subjects.

About the Course

B.Sc. Microbiology is a 3-year undergraduate program that aims to provide students a detailed study of microorganisms and their effect on the human body. BSc Microbiology also consists of the study of different types of viruses and bacteria and how they function on a human cell. This program is designed to develop a broad understanding of fundamental and applied scientific concepts and methods in microbiology.

Program Highlights

Microbiologists can find job opportunities in sectors such as government and private hospitals, food industries, research and development organizations, chemical industries and pharmaceutical industries

- Biomedical scientists
- Mycologists, Virologists
- Protozoologist, Parasitologist
- Biochemist, Immunologists
- Biotechnologist
- Analysts, Science Writer
- Microbiologists, Teachers
- Cell Biologists
- Geneticists

PROGRAM NAME

B.P.T.

(Bachelor of Physiotherapy)

Duration : 4½ Year

Eligibility :

10+2 passed with Physics, Chemistry and Biology with minimum 50% aggregate from recognized board.

Age : 17 Year Minimum

About the Course

BPT is an undergraduate degree programme designed to introduce students to the fundamentals of rehabilitative medicine. The aim of the programme is to train students at an advanced level about core physiotherapeutic skills such as therapeutic exercises and application of electro-physical modalities which can cure a range of diseases and disabilities related to back spine neck shoulder and legs. The programme emphasizes on learning to improve movement dysfunction and promote functions of the human body and optimal health. In addition the programme's practical sessions ensure that students get exposure to accurate diagnosis and treatment of disease and disability. After completion of the programme aspirants are enrolled for a six-month internship to prepare them for cases & conditions and enhance their learning.

Program Highlights

1. Students will undergo Practical training in prevention, diagnosis, treatment, therapy.
2. Students will undergo training in Physical recreation, movement, leisure, activation.
3. As vital members of the health care team, BPT professionals play a critical role in giving the training to the ill or injured patients as well as to the patients having joint problems.

Job Areas:

- Defence Medical Establishments
- Fitness Centers, Educational Institutions
- Govt and private Hospitals, Health Institutions (Both Govt & Private setup)
- Physiotherapy Equipment Manufacturers
- Assistant Physiotherapist
- Private Physiotherapist
- Consultant physiotherapy
- Sports Physio Rehabilitator
- Orthopedic Departments
- Therapy Manager
- NGO

PROGRAM NAME

B.M.R.I.T.

(Bachelor in Medical Radio-Diagnosis and Imaging Technologist)

Duration : 3½ Year

For Nepali students, course duration is 4 years i.e.
(3 year course + 1 year internship)

Eligibility :

The candidate must have passed the 10+2 with Minimum 45% Marks in PCB/PCM.

Age : 17 Year Minimum

About the Course

BMRIT introduces students to the basic bifurcation of the science of Radiology such as Diagnostic Radiology and Interventional Radiology. Diagnostic Radiology concerns itself with the use of X-Ray imaging and allied techniques for diagnoses of diseases and effects of the injury on the body. Interventional Radiology deals with the use of invasive procedures for diagnoses and treatment with the employment of imaging technology (X-ray, ultrasound, CT and MRI). Students can pursue PhD or MPhil degrees to specialize in a number of allied fields like Diagnostic Radiology, Radiation Oncology, Vascular and Interventional Radiology, Pediatric Radiology, Nuclear Radiology, Pain Medicine and Neuroradiology.

Program Highlights

1. Trains the students in the area of radiographic imaging of the human body
2. Teaches the students in the different methods of radiographic imaging such as CT scans, MRI, etc.
3. There are several specialisations under radiology that one can pursue after graduating from a B.Sc degree in India.

4. Ample Opportunities under following profiles

- | | |
|-----------------------------|------------------------------|
| 1. Radiology Technologist | 2. MRI Technologist |
| 3. CT scan Technologist | 4. Ultrasound Technician |
| 5. Angiography technologist | 6. Radiotherapy Technologist |
| 7. Dexa scan Technologist | 8. Biomedical Engineering |

PROGRAM NAME

B.H.A

(Bachelor in Hospital Administration)

Duration : 3 Year

Eligibility :

45% minimum aggregate in 10+2 from a recognized college or board (ICSE/CBSE/State Boards).

About the Course

BHA or Bachelor in Hospital Administration is a three-year undergraduate degree designed for the students who are looking for a career in management, administration, and leadership of hospitals, healthcare systems, and hospital networks.

This course is to prepare healthcare professionals who can respond effectively to the diverse and ever-changing healthcare sector. This can be the dream course for the candidates who are interested in serving, helping, and also want to have complete knowledge of the skill. The course includes Information Technology in Hospitals, Healthcare Economics, Biostatistics, Human Biology, and Medical Terminology, Legal and Ethical Issues in Hospitals. Students can also opt for MBA Course after completing a BHA degree as it will provide a wide range of MBA jobs

Program Highlights

- Nursing Homes
- International and National Healthcare Organizations
- Healthcare Portal
- Mental Health Facilities
- Hospital Consulting Firms
- Pharmaceuticals and Hospital Supply Firms
- Health Insurance Companies
- Medical Software Companies
- Public Health Department
- Rehabilitation Centre

Candidates may apply for any job profile listed below.

- Hospital Administrator
- Floor Manager - Hospital
- Centre Manager
- Teacher or Instructor - College and Universities
- Sales Manager - Hospital Management
- Associate Professor - Hospital Management Healthcare
- Administrative Officer
- Facility Manager - Healthcare/Hospital

PROGRAM NAME

B.Sc IT

Duration : 3 Year

Eligibility :

10+2 or equivalent examinations from a recognized board.

About the Course

Like all other undergraduate programmes related to Information Technology, B.Sc (Bachelor of Science) in IT is basically about storing, processing, securing, and managing information. This degree is primarily focused on subjects such as software, databases, and networking. The B.Sc degree in IT is awarded for completing a programme of study in the field of software development, software testing, software engineering, web design, databases, programming, computer networking and computer systems. Graduates with an information technology background are able to perform technology tasks relating to the processing, storing, and communication of information between computers, mobile phones, and other electronic devices.

Program Highlights

- Programmers
- Software Developer
- Quality Analyst
- IT Specialists
- Technology Engineer
- Technical Consultant
- Graphic Designer

PROGRAM NAME

B. Lib

(Bachelor of Library Science)

Duration : 1 Year

Eligibility :

Any bachelor's degree holder from any recognised University with a minimum overall aggregate of 50% or more in the bachelor's degree exam

About the Course

Bachelor of Library Science is a bachelor degree course designed to give students an understanding of philosophy of library science, its basic principles, laws as well as social impact. Students will learn how to create and manage marketing campaigns and events, and develop critical thinking skills.

Program Highlights

- Hospitality Management
- Tour Management
- Travel Management
- Event Manager
- Travel Consultant and Strategist

Post Graduate Nursing Programmes

PROGRAM NAME

M.Sc. Nursing
(Master of Science in Nursing)

Duration : 2 Year

Eligibility :

B.Sc Nursing/Post B.Sc Nursing with a minimum of 55% marks and atleast 1 year experience and Registration with any of the state Council.

Age : No Bar

About the Course

M.Sc. Nursing is a Postgraduate Course which open the doors for the Graduate nurses to pursue their higher education in Nursing in various specialties that M.Sc Nursing offers. This Course provides opportunity to Nursing Graduates to opt the specialty of their choice among Psychiatric Nursing, Medical Surgical Nursing, Community Health Nursing, Child Health Nursing and Obstetrics and Gynecology Nursing. After completion of the course they will be called as Nursing Specialties of their Subject. M.Sc Nursing brings with it the flood of opportunities in both Service and Education.

OFFERED STREAMS :

- Medical and Surgical Nursing
- Obstetrics and Gynecology Nursing
- Paediatric Nursing
- Mental Health Nursing
- Community Health Nursing

Program Highlights

Scope: .

- Higher Pay
- Better Working Hours
- Better Career Opportunities in
 - Nursing Colleges
 - Hospitals
 - Military Services
 - Abroad
 - Various Govt Health Projects/Programmes
- Opportunity to Peruse PhD

PROGRAM NAME

Post Basic B.Sc. Nursing
(Post Basic Bachelor of Science in Nursing)

Duration : 2 Year

Eligibility :

GNM with Registration from state Nursing Council

Age : No Bar

About the Course

The Post Basic Nursing is designed for the diploma (General Nursing and Midwifery) students who are willing to upgrade their diploma into degree and wants to climb a step up in the ladder of Nursing education. The course is of 2 Years duration with the subjects which imparts in-depth knowledge about reasons behind actions.

Program Highlights

- Tutor in Educational institutes(both Govt & private setup)
- Nursing Officer in Hospital/Clinic
- School Health Nurse
- Community Health Nurse/CHO
- ICU Nurse
- Operation Theatre Nurse
- Military Nurse
- Nurse in Government Health Schemes
- Infection Control Nurse
- Nurse Educator

Under Graduate Nursing Programmes

PROGRAM NAME

B.Sc. Nursing

(Bachelor of Science in Nursing)

Duration : 4 Year

Eligibility :

10+2 passed with a minimum of 45% in Physics, Chemistry, Biology and English each as compulsory subjects.

Age : 17 - 35 Year

About the Course

The B.Sc. Nursing degree course has been designed to train and produce nurses with the ability to critically think and respond to the dynamic need of health care industry. By the end of the course the students are equipped to deal with various aspects of human care with utmost professionalism. Further this program is best for those aspirants who want to take up career which is challenging , interesting and makes a difference in people's lives daily.

Program Highlights

- Tutor in Educational institutes (Both Govt & Private setup)
- Nursing Officer in Hospital/Clinic
- School Health Nurse
- Community Health Nurse/CHO
- ICU Nurse
- Operation Theatre Nurse
- Military Nurse
- Nurse in Government Health Schemes
- Infection Control Nurse
- Nurse Educator

PROGRAM NAME

G.N.M.

(General Nursing and Midwifery)

Duration : 3 Year

Eligibility :

10+2 pass with a minimum of 40% marks in aggregate. The candidates with science(both mathematics and Biology), Commerce, Arts are eligible with English as a compulsory Subject.

Age : 17-35 Year (No age bar for ANM Pass)

About the Course

This diploma programme has been designed to train the nursing students into Professional nurses and develop skills that will help them to function competently as a member of health care Team in hospital or Community setting. This program also serves as a base for those (any Stream in 10+2) wishing to pursue higher education in Nursing.

Program Highlights

1. All the Streams in 10+2 are eligible
2. Chance to pursue career in Nursing
3. Can work in any Health care setup
 - a. Government and Private Hospital
 - b. Community Health Centre
 - c. Nursing Home
 - d. School Health Services
 - e. Nursing Homes
 - f. Private Clinics
4. Can be graduate by joining Post Basic B.Sc Nursing (2 Year Degree Course)

PROGRAM NAME

A.N.M.

(Auxiliary Nursing and Midwifery)

Duration : 2 Year

Eligibility :

10+2 passed any subjects.

Age : 17 - 35 Year

About the Course

- Health clubs
- Yoga & palates studios
- Special needs centre
- Private gym
- Individual client's homes.

PROGRAM NAME

Diploma in Dialysis*

Duration : 2 Year

Eligibility :

10+2 pass with a minimum aggregate score of 40% with compulsory subjects such as Physics and Chemistry and one optional subject from either Mathematics or Biology.

About the Course

Diploma in dialysis technician is a two year diploma program designed to build a well-informed and duly trained dialysis technicians for working efficiently in hospitals, medical clinics, dialysis centers, paramedical teaching and training institutions. An innovative curriculum of this programme will enable students to get requisite skills for carrying out dialysis in critical conditions such as renal dialysis, hem-dialysis. Students of this programme will be exposed to a rich avenue of opportunities as dialysis technician in multispecialty hospitals, nursing homes and dialysis centers.

Program Highlights

Distinctive academic curriculum,

Qualified and competent faculty members

Wide range of Clinical exposure at affiliated Hospitals

Areas of employment where Diploma in Dialysis Technician/Technology graduates can pursue a career:

- Hospitals
- Training Centres
- Multispecialty Hospitals
- Dialysis Clinics
- Laboratories

Job Profile

- Dialysis Technician
- Equipment Operator
- Skill Trainer
- Lab Assistant
- Medical Assistant
- Unit Supervisor

नशामुक्त बनाने के लिए लिया संकल्प

मानवाधिकार संरक्षण एवं भ्रष्टाचार निवारण के संयुक्त तत्वाधान में एसजीआरआर नेहरूग्राम में युवा संवाद कार्यक्रम आयोजित हुआ। छात्रों ने नशामुक्त एवं स्वच्छ भारत बनाने की प्रतिज्ञा ली।

नशामुक्त एवं स्वच्छ भारत बनाने का लिया संकल्प

जागरण संवाददाता, देहरादून:

मानवाधिकार संरक्षण एवं भ्रष्टाचार निवारण के संयुक्त तत्वाधान में एसजीआरआर नेहरूग्राम में 'युवा संवाद' कार्यक्रम आयोजित हुआ। छात्रों ने नशामुक्त एवं स्वच्छ भारत बनाने की प्रतिज्ञा ली। समिति के अध्यक्ष ललित जोशी ने कहा कि युवा पीढ़ी को ऐसे राजनेताओं का दृष्टिकोण करना चाहिए जो चुनाव के दौरान नशा और भ्रष्टाचार को बढ़ावा देते हैं। उन्होंने कहा कि बड़े रहनों के बच्चों से निकलकर नशा अब गांव की तरफ बढ़ रहा है। राजधानी में भी ब्रेडोफ नशा बेचा जा रहा है। यदि आज हम सजग न हों तो हमारा युवा भारत का सपना सिर्फ नाम पर के लिए रह जाएगा।

उन्होंने राष्ट्र प्रेम, राष्ट्र निर्माण में युवाओं की भूमिका, समाज में नशाखोरी, माना-पिता के प्रति युवाओं का कर्तव्य व देश की सुरक्षा में लगे जवानों के प्रति सम्मान और देश की ज्वलंत समस्याओं में शिक्षा, स्वास्थ्य, पलायन, सुशासन, कानून व्यवस्था, महिलाओं और बच्चों

Affidavit

I, Mr.....Father /Husband of Mr./Ms/Mrs.....
hereby declare that my ward has taken admission incourse at Combined (PG) Institute of Medical Sciences & Research, Dehradun in session 20__-20__ on the following conditions as explained by the authorities of the College.

I am clearly explained that my ward:

1. Shall not indulge him/ herself in any act of ragging. If found being a part of any action pertaining to the ragging of Senior, Junior or batch mate, the College has full rights to expel him/her out of the college and in this case I have to pay the fee for the full..... Years Course.
2. Is not allowed to discontinue the course in between, no matter of any reason except in case of the demise of the candidate. In case of continuing the course is inevitable, and then it can be done by paying fee of full.... Year course.
3. Shall abide by the rules and regulations of the College and the Hostel. He/ She will display highest discipline and obedience failing in which the institution is free to take any disciplinary action against him/ her.
4. Shall fulfill the minimum attendance 80% criteria laid down by the apex bodies both in clinical and theory, which shall make him eligible to appear for final University Examination. If the case is so, he/she has to compensate the clinical or theory hours to be able to sit for the examination next time.
5. Shall not indulge in any type of anti- management, antisocial and anti institutional activity like strikes, dharnas, leaking the confidential information of the college to the outside sources. In that case the management Combined (PG) Institute of Medical Sciences & Research, Kuanwala, Dehradun, reserves all the rights to take action against him/ her whatsoever is appropriate in accord to the act.
6. Shall pay the fee within the stipulated time frame and date released by the institution i.e. The First year's fee has to be paid at the time of admission and late by 15th November. The 2nd years, 3rd years and 4th Years fee has to be paid as 1st installment by 15th April and 2nd installment by 15th October of financial years.
7. Shall not indulge in any criminal, antisocial activity, drug abuse, use of social media to spread any fake news or its misuse in any other way.
8. All the documents produced by ward as requirement to get admission in to this course are true and are issued by the competent authority. There is no hiding and concealing of facts and information. At any point in time if the institution comes to know that there is any fraudulence involved then it preserves all rights to cancel the admission. In that case my ward has to pay fee for the full course.
9. I and my ward have read and understood the above said terms and conditions clearly and full senses and we accept every condition wholeheartedly, willingly and without any pressure.

जोशीमठ आपदा प्रभावितों के बच्चों को मुफ्त शिक्षा

देहरादून, कार्यालय संवाददाता। जोशीमठ आपदा प्रभावितों के बच्चों को सीआईएमएस एंड यूआईएचएमटी ग्रुप ऑफ कॉलेज मुफ्त शिक्षा उपलब्ध कराएगा। छात्र-छात्राओं को मुफ्त उच्च शिक्षा, व्यावसायिक शिक्षा एवं चिकित्सा शिक्षा प्रदान करने का फैसला कॉलेज प्रबंधन ने लिया है। इससे पहले कोरोना में अनाथ एवं आर्थिक रूप से कमजोर 300 छात्र-छात्राओं को हर साल मुफ्त शिक्षा का ऐलान भी संस्थान कर चुका है। कॉलेज के चेयरमैन एडवोकेट ललित मोहन जोशी ने कहा कि जोशीमठ इस वक्त एक बड़ी विपदा से जूझ रहा है। भू-धंसाव के कारण जोशीमठ के लोग अपने घरों को छोड़कर राहत शिविरों में रह रहे हैं। जिससे उनके काम धंधों के साथ उनके बच्चों की शिक्षा भी प्रभावित हुई है। संस्थान जोशीमठ के लोगों के साथ खड़ा है। आपदा प्रभावित

03 सौ छात्र-छात्राओं को दी जाती है निशुल्क शिक्षा

- प्रदेश से जरूरतमंद छात्र-छात्राओं का होगा चयन
- राज्य स्थापना दिवस पर कराई जाती है प्रतियोगिता

सामान्य ज्ञान प्रवेश परीक्षा आयोजित कराता है। इसमें चयनित 300 आर्थिक सामा है, कमजोर छात्र-छात्राओं को कृपा, उच्च एवं व्यावसायिक शिक्षा प्रदान जाती है। इस बाबत उनके निवेदन पर माध्यमिक शिक्षा निदेशालय ने सभी मुख्य शिक्षा अधिकारियों को

निर्देश जारी किए हैं कि वे सुपर-300 प्रवेश परीक्षा के लिए अपने जिले में शिक्षण संस्थानों के छात्र-छात्राओं का जागरूक करें। व्यापक प्रचार प्रसार करें, ताकि ज्यादा से ज्यादा छात्र-छात्राओं को इस पहल का लाभ मिल सके।

भू-धंसाव प्रभावित जोशीमठ के छात्रों को निःशुल्क शिक्षा देगा सीआईएमएस एवं यूआईएचएमटी ग्रुप

निर्णय

- संस्थान के शैक्षिक परिषद की बैठक में लिया निर्णय

देहरादून, लोकसत्त्व।

जोशीमठ आपदा प्रभावित विधार्थियों के लिए राहत भरी खबर है। आपदा से प्रभावित विधार्थियों को सीआईएमएस एवं यूआईएचएमटी ग्रुप ऑफ कॉलेज देहरादून निशुल्क उच्च एवं व्यावसायिक शिक्षा देगा। संस्थान के शैक्षिक परिषद की बैठक में यह निर्णय लिया गया है। देहरादून स्थित सीआईएमएस एवं यूआईएचएमटी ग्रुप ऑफ कॉलेज ने सोमवार को अपने संस्थान के शैक्षिक परिषद की बैठक में जोशीमठ भू-धंसाव प्रभावित छात्र-

छात्राओं को निःशुल्क उच्च शिक्षा, व्यावसायिक शिक्षा एवं चिकित्सा शिक्षा प्रदान करने का फैसला लिया है। संस्थान ने जोशीमठ आपदा प्रभावित बच्चों के भविष्य की चिंता करते हुए उन्हें निःशुल्क उच्च शिक्षा प्रदान करने का ऐलान किया है। कॉलेज के चेयरमैन एडवोकेट ललित मोहन जोशी ने कहा कि जोशीमठ इस वक्त एक बड़ी विपदा से जूझ रहा है, भूधंसाव के कारण जोशीमठ वासी अपने घरों को छोड़कर राहत शिविरों में रह रहे हैं जिससे उनके काम धंधों के साथ उनके बच्चों की शिक्षा भी प्रभावित हुई है। इस विपदा की घड़ी में संस्थान जोशीमठ वासियों के साथ खड़ा है और आपदा प्रभावित किसी भी बच्चे की उच्च शिक्षा प्रभावित नहीं होने दी जाएगी। संस्थान के चेयरमैन ललित मोहन जोशी ने बताया कि जोशीमठ आपदा प्रभावित बच्चों को बीएससी मैडिकल है। संस्थान ने जोशीमठ आपदा प्रभावित बच्चों के भविष्य की चिंता करते हुए उन्हें निःशुल्क उच्च शिक्षा प्रदान करने का ऐलान किया है। कॉलेज के चेयरमैन एडवोकेट ललित मोहन जोशी ने कहा कि जोशीमठ इस वक्त एक बड़ी विपदा से जूझ रहा है, भूधंसाव के कारण जोशीमठ वासी अपने घरों को छोड़कर राहत शिविरों में रह रहे हैं जिससे
